## Associated revisions

### Revision 21064 - 2021-07-06 12:13 - Go MAEDA

Add enabled core fields to /trackers API response (#35505).

Patch by Jens Krämer.

## History

#### #1 - 2021-07-01 11:54 - Jens Krämer

Note: we named the element in the API response `enabled_standard_fields` despite it is `core_fields` in the code, because 'Standard fields' is the user-visible wording the Admin UI.

#### #2 - 2021-07-01 13:43 - Go MAEDA

*- File test-35505.patch added*

*- Category set to REST API*

*- Target version set to Candidate for next major release*
