Please publish latest database schema

You can find it in db/schema.rb file under your Redmine's installation directory. Here is an excerpt.

[...]

```
create_table "attachments", force: :cascade do |t|
  t.integer "container_id"
  t.string "container_type", limit: 30
  t.string "filename", default: "", null: false
  t.string "disk_filename", default: "", null: false
  t.integer "filesize", limit: 8, default: 0, null: false
  t.string "content_type", default: ""
  t.string "digest", limit: 64, default: "", null: false
  t.integer "downloads", default: 0, null: false
  t.integer "author_id", default: 0, null: false
  t.datetime "created_on"
  t.string "description"
  t.string "disk_directory"
  t.index ["author_id"], name: "index_attachments_on_author_id"
  t.index ["container_id", "container_type"], name: "index_attachments_on_container_id_and_container_type"
  t.index ["created_on"], name: "index_attachments_on_created_on"
  t.index ["disk_filename"], name: "index_attachments_on_disk_filename"
end
```
