

Redmine - Feature #35795

Settings for global and user default custom ProjectQuery

2021-08-22 04:23 - Mischa The Evil

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Marius BĂLTEANU	% Done:	0%
Category:	Projects	Estimated time:	0.00 hour
Target version:	5.0.0		
Resolution:	Fixed		
Description A feature like this would be in line with #7360 . It wouldn't need the project and user level defaults though. It would IMHO be a more complete (than r19505) solution to the need expressed in #32818 . With this feature, the project_list_display_type setting added in r19505 can be removed.

Revision 21281 - 2021-11-15 22:58 - Marius BĂLTEANU

You can configure default project queries in the following places (#35795):

- App-level: Administration > Projects > Default query (Projects list defaults section)
- User-level: My account > Default project query

Revision 21282 - 2021-11-15 23:03 - Marius BĂLTEANU

Update locales (#35795).
