<b>Target version:</b>			
<b>Resolution:</b>			
<b>Description</b>			
I am not able to ADFS Integration on Redmine			

#### History

##### #1 - 2021-09-20 16:40 - Holger Just

- Category changed from Custom fields to Accounts / authentication
- Status changed from New to Needs feedback

Please describe in more detail the exact difficulties you are facing. Please describe what exactly:

- what you are trying to do
- what exactly you have done so far to implement this
- the expected results of your attempts so far
- how exactly the results differ from those expected results. Here, it's always helpful to show verbatim errors.
