Description			
<p>This test rarely fails. This problem occurs because <code>Project.visible(user).ids</code> does not contain an <code>ORDER</code> clause for sorting and does not guarantee the order.</p>			
<p>Failure:</p> <pre>MenuManagerTest#test_cross_project_menu_should_hide_item_if_module_is_not_enabled_for_any_project [/usr/src/redmine/test/integration/lib/redmine/menu_manager_test.rb:105]: Expected: [1, 3, 4, 6] Actual: [6, 1, 3, 4]</pre> <pre>rails test test/integration/lib/redmine/menu_manager_test.rb:103</pre>			
<p>Solved by the following patch.</p>

Such changes are usually not backported to stable branches. This is because there is no effect for general users and the number of such fixes is large. Also, developers usually use the trunk when they run the test suite.
