Redmine - Defect #36368

show in assignable user when he/she is not member of that project

2021-12-29 14:30 - salman mp

Status:	New		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Issues		**Estimated time:**	0.00 hour
Target version:				
Resolution:			**Affected version:**	

Description

When moving an issue to another project that author of issue is not member of that, in edit form 'author' shown as an assignable user.

This patch can fix the error.

I think it is the expected behavior introduced in r4240. After r4240, the author of an issue always can be an assignee of the issue even if the user is not a project member.
