Target version:				
Resolution:	Invalid		**Affected version:**	

Description

Hi,

When I add or update any issue, **Issue assign to me** and **Reported Issue** column on **tab** is not updating.

How to solve this bug?

#2 - 2022-05-16 22:06 - Marius BĂLTEANU

- Status changed from New to Needs feedback

I've just tested and it works for me in Redmine 5.

Please add more details about your installation, you can see submissions before.

#3 - 2022-06-25 22:00 - Marius BĂLTEANU

- Status changed from Needs feedback to Closed

- Resolution set to Invalid

Please reopen with more details.
