

Redmine - Patch #37528

Don't load changesets when IssuesController#show processes API requests without "include=changesets"

2022-07-29 03:20 - Go MAEDA

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Go MAEDA	% Done:	0%
Category:	Performance	Estimated time:	0.00 hour
Target version:	5.1.0		
Description			
<p>Currently, changesets are always being loaded in IssuesController when API requests for IssuesController#show are made. However, loading Changesets is not necessary unless "include=changesets" is specified in the API request parameters.</p> <p>The attached patch can improve the performance of "GET /issues/:id.(json xml)" by loading changesets only when they are necessary.</p>
