Redmine - Feature #37679

Raise the maximum length of the last name to 255 characters

2022-09-15 21:30 - Anthony Mallet

Target version:	5.1.0			
Resolution:				

Description

According to r11392, the lastname length is increased to 255 characters.

It seems that the user validations was never updated accordingly and I have some users hitting the limit in a legitimate way.

Would the attached patch be enough to fix the issue?
