

Redmine - Defect #37789

Error plugin computed_custom_field Redmine Version 5.0.1

2022-10-18 04:29 - Lady Veloza Y

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Administration	Estimated time:	0.00 hour
Target version:		Affected version:	5.0.1
Resolution:	Invalid		
Description			
Hola alguien me puede ayudar con el error que me esta ocurriendo al instalar el plugin computed_custom_field o si existe un plugin similar para la version de Redmine 5.0.1, he seguido las indicaciones de la siguiente pagina https://github.com/dpalic/redmine_plugin_computed_custom_field/pull/1 . Pero sigue sin funcionar, agradezco cualquier ayuda
