

Redmine - Feature #37862

Estimated time remaining issue query column

2022-10-30 03:52 - Jens Krämer

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:	Marius BĂLTEANU	% Done:	0%
Category:	Issues list	Estimated time:	0.00 hour
Target version:	6.0.0		
Resolution:			
Description			
The attached patch, which was extracted from Planio , adds an issue query column that represents the estimated remaining time to completion, calculated from estimated time and done ratio.			
The main use case here is to get a quick estimation of the remaining effort for completion of a group of issues by adding the column in the query totals.

Fix RuboCop offense Naming/MemoizedInstanceVariableName (#37862, #1671).

History

#1 - 2022-10-30 08:08 - Go MAEDA

- Target version set to Candidate for next major release

#2 - 2022-11-07 10:02 - Go MAEDA

- Related to Feature #24277: Introducing Remaining Time field as method to track the remaining time to complete an issue added

#3 - 2024-05-01 03:45 - Radek Pesina

- File 0001-estimated-remaining-hours-issue-query-column_5.1.2.patch added

Hi,

For ease of making it into the next major release, I've merged the patch to the latest version of Redmine (v5.1.2).

#4 - 2024-05-01 09:50 - Marius BĂLTEANU

- Status changed from New to Resolved
- Assignee set to Marius BĂLTEANU
- Target version changed from Candidate for next major release to 6.0.0

I've committed this feature for [6.0.0](#).

#5 - 2024-05-01 09:52 - Marius BĂLTEANU

This is a nice addition, but I think we should develop more this feature in order to add this info also to issue page and roadmap. On top of this, we should make this behaviour configurable in order to support also the feature from [#24277](#).
