<b>Target version:</b>		<b>Affected version:</b>	
<b>Resolution:</b>	Fixed		

#### Description

This is regarding [redmineupgrade](#), step 6

This '--without' flag is deprecated according to Bundler (2.2.33) message:

```
[DEPRECATED] The `--without` flag is deprecated because it relies on being remembered across bundler invocations, which bundler will no longer do in future versions. Instead please use `bundle config set --local without 'development test'`, and stop using this flag
```

#### History

##### #1 - 2022-12-11 23:39 - David Farrick

- File Screenshot from 2022-12-11 17-36-30.jpg added

!!

##### #2 - 2022-12-24 08:37 - Go MAEDA

- Status changed from New to Closed

- Resolution set to Fixed

Updated the page. Thank you for pointing it out.
