# Redmine - Feature #3872

# New user password - better functionality

2009-09-15 16:17 - Maxim Krušina

Status: Closed Start date: 2009-09-15

Priority: Normal Due date:

Assignee: Jean-Philippe Lang % Done: 0%

Category: Accounts / authentication Estimated time: 0.00 hour

Target version: 2.4.0

# Resolution: Description

It should be usefull to add two functionalities to new user's password:

• [x] Require user to change password after first login

Fixed

• [x] Generate password

I hope both checkboxes are self-explaining;)

Is you check "Generate password" it will disable testual password input.
