While creating an issue using REST API in similar to 'assigned_to_id' for an issue assigned to a user, need a 'created_by_id' while creating a issue			
Related issues:			
Is duplicate of Redmine - Feature #9812: set or change author of a issue (via... New			

History

#1 - 2023-11-02 07:18 - Go MAEDA

- Status changed from New to Closed
- Resolution set to Wont fix

As of now, Redmine does not allow creating issues while impersonating other users, and consequently, this feature is not available via the API as well.
