Redmine - Patch #39895

Add hook call in edit issue form

2023-12-21 04:04 - Allan C

Target version:			

Description

In Time Spent module, there is a hook call to view_timelog_edit_form_bottom.

In Issue module, when edit issue, there is a section to input time spent but no hook call to view_timelog_edit_form_bottom.

A pull request has been created to add in the hook call and can be viewed here.

Appreciate if the PR can be reviewed. Thanks.
