

Redmine - Defect #4010

Translation missing after upgrade

2009-10-09 13:55 - Arnaud Lesauvage

Status:	Closed	Start date:	2009-10-09
Priority:	Normal	Due date:	
Assignee:	Azamat Hackimov	% Done:	0%
Category:	Translations	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		
Description			
<p>Juste upgraded from 0.8.4.devel.2847 to : Redmine 0.8.5.devel.2904 (PostgreSQL) Everything went smoothly (including rails upgrade to 2.3.4, and db_migrate).</p> <p>There is a problem with a translation : when changing the status of an issue, the text "Status changed from <...> to <...>" is not translated correctly. I checked in French and German, and the translations are : "Statut changed from Ouvert to Résolu" and "Status changed from Ouvert to Résolu"</p> <p>Bold parts are not translated anymore.</p>			

History

#1 - 2009-10-10 12:26 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Fixed

French locale updated in r2906.
