

Redmine - Feature #4097

Batch issue creation: keep previous selected values in the new issue form

2009-10-23 15:36 - Nicolas Mussat

Status: Closed	Start date: 2009-10-23
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Issues	Estimated time: 0.00 hour
Target version:	
Resolution: Duplicate	
Description	
When using the "Create and Continue" button on issue creation form, I always wish the new form to remember my previous choices for status, assignation and category, so that I can create a lot of similar tickets very quickly.
