Associated revisions

Revision 23246 - 2024-11-11 02:46 - Go MAEDA

Fix random test failures due to missing fixtures (#41623).

Patch by Katsuya HIDAKA (user:hidakatsuya).

Revision 23266 - 2024-11-13 08:16 - Marius BĂLTEANU

Merge r23246 from trunk to 6.1-stable (#41623).

History

#1 - 2024-10-30 03:16 - Katsuya HIDAKA

The changeset\_test is also failing with the following error.

```
Failure:
ChangesetTest#test_ref_keywords_any [test/unit/changeset_test.rb:53]:
Expected: 3
  Actual: 2
```

```
bin/rails test test/unit/changeset_test.rb:39
```

I've fixed the above test failure by adding :watchers to the fixtures.

#2 - 2024-11-04 16:00 - Go MAEDA

- Category set to Code cleanup/refactoring
- Target version set to 6.1.0

#3 - 2024-11-11 02:46 - Go MAEDA

- Status changed from New to Closed
- Assignee set to Go MAEDA

Committed the patch in [r23246](#). Thank you.

#4 - 2024-11-13 08:18 - Marius BĂLTEANU

- Target version changed from 6.1.0 to 6.0.2

I've merged these fixes to 6.0-stable because we have a test failure on that branch from same reasons.
