

Redmine - Patch #41725

Add svg icons sample view

2024-11-10 13:49 - Takashi Kato

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:	6.1.0		
Description			
Currently, when developing view templates, we cannot see the appearance of SVG icons. I have attached a patch that adds an information page displaying all SVG icons and their names in development mode.			

History

#1 - 2024-11-13 13:34 - Go MAEDA

- File clipboard-202411132129-kl5ak.png added

With the patch applied, you can view all available SVG icons at http://hostname/rails/info/svg_icons if the Redmine is running in development mode.
