

Redmine - Defect #41795

Missing fixture: a test does not pass if the 'issue_categories' fixtures are not already loaded

2024-11-19 17:08 - Vincent Robert

Description

While running the tests in isolation, I noticed that one test failed.
If the 'issue_categories' fixtures are not already loaded, the test does not pass.

```
Minitest::Assertion: "View all issues (3 open)" not found in  
"1 issue(s) that are assigned to you are due in the next 7 days::"
```

```
* eCookbook - Bug #15: Assigned to group (Due in 5 days)
```

```
View all issues (2 open)  
http://localhost:3000/issues?assigned_to_id=me&set_filter=1&sort=due_date%3Aasc
```

```

```
"  
test/test_helper.rb:248:in `assert_include'  
test/test_helper.rb:270:in `assert_mail_body_match'  
test/unit/mailer_test.rb:935:in `block (2 levels) in test_reminder_should_include_issues_assigned_to_groups'  
test/unit/mailer_test.rb:926:in `each'  
test/unit/mailer_test.rb:926:in `block in test_reminder_should_include_issues_assigned_to_groups'  
test/test_helper.rb:102:in `with_settings'  
test/unit/mailer_test.rb:905:in `test_reminder_should_include_issues_assigned_to_groups'
```

I therefore suggest adding it to this test:

```
diff --git a/test/unit/mailer_test.rb b/test/unit/mailer_test.rb

Can you please lock the "Alma way" account? It's obviously an AI bot which tries to create links to other websites. (By the way, we could add a "No Follow" attribute on the links in the notes. It may be a new option to add to Redmine)
