I made a patch to fix the problem reported in this issue.

Additionally, this patch fixes the problem where old group icons are displayed, as shown in the attached screenshots.

- File 0001-Escape-labels-in-principals_check_box_tag.patch added
- File 0002-Fix-functional-tests-broken-by-r23328.patch added

I have found the following issues in the current implementation:

- The principals_check_box_tag labels (user and group names) are not escaped.
- Some functional tests fail.

I attach minimal patches to address these issue.

I have confirmed that all tests pass.
