<b>Target version:</b>	
<b>Resolution:</b> Duplicate	
<b>Description</b>	
<p>As reported in feature #2995, when a user attempts to view a ticket in an archived project an error message is presented. There are many cases when it would be useful to be able to view (not update) the details of a ticket for an archived project.</p> <p>Perhaps an additional, 'closed', project state could be implemented?</p>
