## Associated revisions

### Revision 3034 - 2009-11-12 23:00 - Jean-Philippe Lang

Add test for i18n number\_to\_human\_size (#4208).

## History

### #1 - 2009-11-12 20:51 - Jean-Philippe Lang

I can not reproduce and translation for ca.number.human.storage\_units exists.  
What's your Redmine revision ? And please attach your config/locales/ca.yml file.

I think it's revision [r2907](#) as shipped in debian/testing (0.9.0~svn2907-1), but repository shows that ca.yml does contain the storage\_units entry...

Might this be a debian bug?

It is indeed a bug in Debian: <http://bugs.debian.org/cgi-bin/bugreport.cgi?bug=555956>
