Description

The CI build is currently failing due to a Rubocop offense: "Layout/LineLength: Line is too long.".
https://github.com/redmine/redmine/actions/runs/14252279885/job/39947639317

```
Offenses:

lib/redmine/helpers/gantt.rb:403:195: C: Layout/LineLength: Line is too long. [203/194]
            'imagemagick_convert_command option is ignored because MiniMagick has removed the op
tion to define a custom path for the binary. Please ensure the convert binary is available in your
 PATH.'
```

The attached patch resolves this issue.
