<b>Description</b> Hi.  It is too difficult to filter issues by date if I need to see only november (for example) tickets - it is possible only with CSV export and filtering in Excel :( Maybe we need to make it possible to set date filters between two fixed values (1.11 and 14.11 for example). It will be great.  Sorry for my bad english.	
<b>Related issues:</b> Is duplicate of Redmine - Feature #6954: Filter from date to date <b>Closed</b> <b>2010-11-22</b>	

#### History

##### #1 - 2009-12-15 00:58 - Mischa The Evil

- Tracker changed from Defect to Feature

##### #2 - 2011-11-24 01:45 - Mischa The Evil

- Status changed from New to Closed

- Resolution set to Duplicate

Implemented in [r6226](#), making this issue superseded by issue [#6954](#) (reflected by a duplicates relation for want of anything better).
