

Redmine - Feature #4485

Create an ACL privilege for assigning tickets

2009-12-25 16:29 - Aron Rotteveel

Status:	New	Start date:	2009-12-25
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues permissions	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description			
<p>Currently, everyone with issue creation access can instantly assign an issue to a user. It would be nice to separate this into an own ACL privilege; this way, reporters could create tickets, but not assign them to a specific user.</p>
