

Redmine - Feature #4746

Adapt repository statistics charts to number of developers

2010-02-05 17:12 - Andrea Barni

| Target version: | | | |
| Resolution: | | | |
| Description | | | |
| <p>I've a Redmine installation integrated with SVN; with ~50 registered users, repository statistics charts are almost useless as you can see from the attached screenshot.</p> <p>I think increasing image's height should fix this problem.</p> | | | |
