

Redmine - Feature #4767

Add permission group to allow 'edit your own tickets (header)'.

2010-02-08 19:04 - kju kju

Status: Closed	Start date: 2010-02-08
Priority: Normal	Due date:
Assignee:	% Done: 0%
Category: Permissions and roles	Estimated time: 0.00 hour
Target version:	
Resolution: Duplicate	
Description	
Obs:	
It appears that so far you can either permit a role to edit every, his own and others, ticket header, or none.	
Exp:	
It would be very convenient to add the separate permission setting to allow people edit their own tickets (only).	
Thank you!
