

Redmine - Feature #4769

Ability to move an issue to a different project from the update form

2010-02-08 22:22 - Alex Last

Status:	Closed	Start date:	2010-02-08
Priority:	Normal	Due date:	
Assignee:	Jean-Philippe Lang	% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:	1.4.0		
Resolution:	Fixed		
Description			
I can change almost all attributes of an issue if I click "update" and then "More" links - all except for "Project" and "tracker type". Those are changed on a separate "Move" page. This looks like an interface inconsistency.
