

Redmine - Feature #4962

"Hide my email address" enable by default

2010-03-02 10:29 - Thomas NOEL

Status: Closed	Start date: 2010-03-02
Priority: Low	Due date:

Category: Accounts / authentication	Estimated time: 0.00 hour
Target version:	
Resolution: Duplicate	
Description	
<p>By default, redmine disable the "Hide my email address" option.</p> <p>IMHO it would be better to hide the email address by default. Or, if possible, to have an option in the authentication settings ("hide emails by default for new accounts ?").</p> <p>I do not know enough about Ruby to help you with a patch proposal... sorry.</p>

This issue is not resolved. Can the Redmine admins instead tag this as a duplicate of #707

Implemented by #21042 (Redmine 3.2.0). "Hide my email address" is checked by default for new users.
