

Redmine - Patch #4975

Add feature to automatically archive old projects

2010-03-03 16:09 - Aaron Fischer

Status: Closed	Start date: 2010-03-03
Priority: Low	Due date:
Assignee:	% Done: 100%
Category: Projects	Estimated time: 0.00 hour
Target version:	
Description	
We host a lot of projects and we needed a solution to archive projects without activity. The included patch implement this feature.	
<ul style="list-style-type: none">• Request <HOST>/sys/mark_all_inactive_projects and status for all inactive projects (no activity since one month) are changed to STATUS_INACTIVE.• All users which has permissions to reactivate project receive a mail notification with a reactivate URL.• If user clicks link in mail project status changes to active.• Request <HOST>/sys/archive_inactive_projects and all inactive projects will be archived. (STATUS_ARCHIVED).	
Exceptions:	
<ul style="list-style-type: none">• projects newer than a month are not affected• if project has activity since mail it will not be archived and will be set as STATUS_ACTIVE.
