Description	
Is there a way to edit or delete notes on an issue? It doesn't seem to be exposed in the UI.

Associated revisions

Revision 1152 - 2008-02-16 14:19 - Jean-Philippe Lang

Added the following permissions (#527, #585, #627):

- edit_issue_notes: let user edit any notes
- edit_own_issue_notes: let user edit his own notes only
