| This patch adds hooks on top of the new, edit and bulk edit view of issues.              |               |                 |            |
| It could be used to add some introductory text there (similar to the one on redmine.org) |               |                 |            |
