<b>Description</b>			
The REST API key UI in the sidebar of /my/account wraps a pre block inside a p block, which doesn't seem to be allowed. Changing the p block to a div on <a href="source:trunk/app/views/my/_sidebar.rhtml#L20">source:trunk/app/views/my/_sidebar.rhtml#L20</a> fixes that and doesn't seem to affect the UI (at least not with the alternate theme).
