

Redmine - Patch #5556

Display more projects in project jump box

2010-05-19 16:30 - Holger Just

Status:	New	Start date:	2010-05-19
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:			
Description			
<p>This patch adds a setting for displaying only projects a user is member of in the project jump box (default and current behavior) or displaying all visible projects.</p> <p>This allows the following features:</p> <ul style="list-style-type: none">- Jump Box for anonymous users containing public projects- Full project list for admins <p>Tests and an additional translation string (with provided German translation) are contained in the patch.</p>
