

# Redmine - Feature #5616

## Filter for "Status" text

2010-05-29 13:47 - Jonas Nagel

<b>Status:</b> Closed	<b>Start date:</b> 2010-05-29
<b>Priority:</b> Normal	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b>	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b>	

### Description

Currently there is only a possibility to filter for "open" and "closed" Status, but there is no way to filter for certain Status text contents such as "Resolved" or "Feedback" (depending on implementation).

I suggest implementing a filter which enables to select from existing Status texts (labels?).

### History

#### #1 - 2010-05-29 13:50 - Jonas Nagel

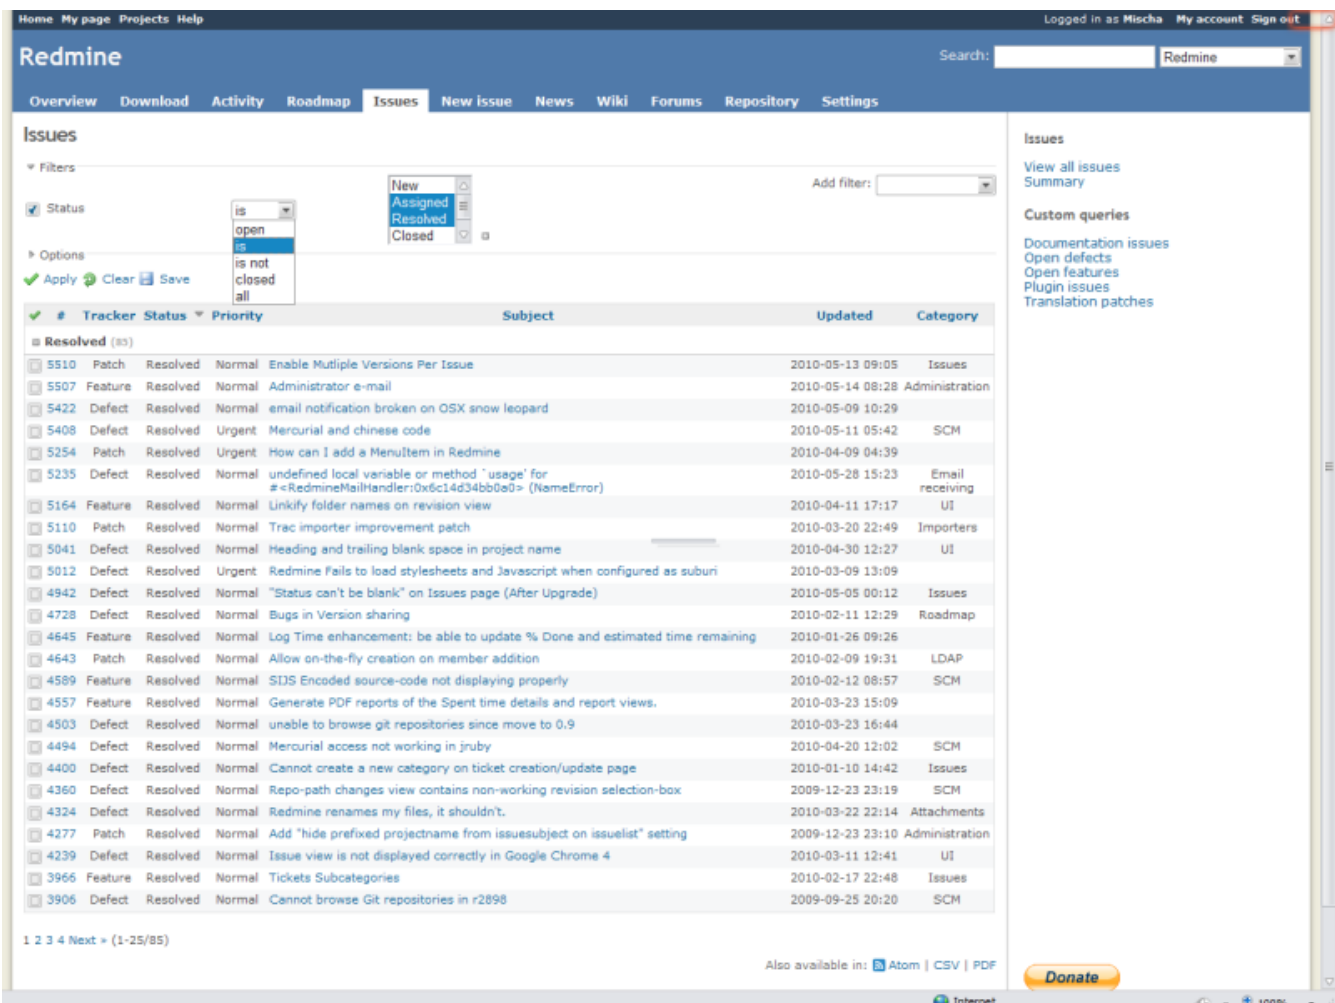

This probably should be implemented as optional multiselect too.

#### #2 - 2010-05-30 04:28 - Mischa The Evil

- File *multiple\_is\_statuses\_filter.png* added

- Status changed from New to Closed

This is already implemented. See the screenshot below:

More info can be found in the [Redmine Guide](#).
