History

#1 - 2010-06-21 19:29 - Felix Schäfer

This is a problem with the l18n gem that is too new for redmine and rails 2.3.5. I think rails 3 pulls in the updated l18n.

#2 - 2010-06-22 22:51 - Marcello Henrique

- *Status changed from New to Resolved*

Yes, I will use the RVM.

#3 - 2010-06-23 00:22 - Felix Schäfer

- *Status changed from Resolved to Closed*

- *Resolution set to Invalid*

Thanks for the feedback :-)
