

## Redmine - Feature #589

### Change ordering of issue notes to more convenient

2008-01-25 18:28 - Alex Mikalev

<b>Status:</b> Closed	<b>Start date:</b>
<b>Priority:</b> Normal	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b>	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b> Fixed	
<b>Description</b>	
Issue notes are sorted by date ascending which leads to the freshest notes being at the bottom of the screen. The suggestion is to reverse the order: latest notes should be visible first. Thanks!

#### Associated revisions

##### Revision 1197 - 2008-03-05 16:41 - Jean-Philippe Lang

Add a user preference to choose how comments/replies are displayed: in chronological or reverse chronological order (#589, #776).

#### History

##### #1 - 2008-01-26 18:05 - Thomas Löber

I find the current order much more comfortable to read.

So I'd suggest this should be at least a user configurable feature.

##### #2 - 2008-02-05 09:18 - Nikolay Solakov

+1 for user configurable feature :)

##### #3 - 2008-02-07 21:43 - David Petersen

+1 for per user config.

##### #4 - 2008-03-05 16:44 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Fixed

User preference added in r1197 to choose between chronologic or reverse chronologic order.

Default is still chronological order (ASC).

##### #5 - 2021-05-14 08:31 - Darko Palic

see for extended feature #35237
