Redmine - Patch #5948

Update help/wiki_syntax_detailed.html with more link options

2010-07-23 14:34 - Holger Just

Status:	Closed	**Start date:**	2010-07-23
Priority:	Normal	**Due date:**	
Assignee:	Jean-Baptiste Barth	**% Done:**	100%
Category:	Documentation	**Estimated time:**	0.00 hour
Target version:	1.0.3		

Description

This patch adds documentation of links to forum posts to the file help/wiki_syntax_detailed.html. It also normalizes some of the formatting.

A considering comitter should also normalize the whole file to \n line endings.

Associated revisions

Revision 4308 - 2010-10-30 00:48 - Jean-Baptiste Barth

Updated wiki-syntax help page to reflect new link options and last coderay upgrade. #5948

Contributed by Holger Just and Mischa The Evil

History

#1 - 2010-10-18 08:12 - Mischa The Evil

- File update_wiki_syntax_detailed-r4249.diff added

Updated the patch against current trunk and included new languages supported by Coderay 0.9.2 (latest included version).

For reviewers:
