#### History

This duplicates [#5162](#). I keep it open because of the screen shot.

And to answer the question in the ticket: No, it is currently not possible to disable notifications altogether.

Thanks.

The question in the ticket is irrelevant, it just happened to be in the ticket I used as an example (and the answer was actually "yes", but that's off-topic here ;-)

##### #3 - 2010-08-19 20:48 - Azamat Hackimov

- Status changed from New to Closed

OK, new string added in [r4007](#).
