

Redmine - Defect #6109

Projects are missing when attempting to assigning projects to a group

2010-08-11 19:31 - Per Malmberg

Status:	Closed	Start date:	2010-08-11
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Groups	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description			
<p>This relates to todays trunk rev 3936 (all upgrade steps performed, previous version was dated to 2010-08-10).</p> <p>1. As an admin user, go to Administration -> Groups -> select a group. 2. Open the Projects tab. 3. On the right you now have the "New project" box with a drop down box that lists the available projects and a list of available roles.</p> <p>The issue at step 3 is that there are no projects available for selection, only the -- Please select -- text.</p> <p>I have several (non-public) projects created and when I only had a single project defined, it was listed in the mentioned drop down box so I have previously been able to add a group to a project.</p> <p>I doubt it is related, but this is the only error I can find in the production.log</p> <p>Processing GroupsController#add_users (for EDITED at 2010-08-11 09:35:48) [POST] Parameters: {"commit"=>"Add", "action"=>"add_users", "authenticity_token"=>"wMwXBzRW5uDjU0YdNYMaJHbsDDgEKrFQxqJnKINONT o=", "user_ids"=>["5"], "id"=>"8", "controller"=>"groups", "user_search"=>"", "_"=>""}</p> <p>ActiveRecord::StatementInvalid (Mysql::Error: Duplicate entry '8-5' for key 1: INSERT INTO `groups_users` (`group_id`, `user_id`) VALUES (8, 5)): app/controllers/groups_controller.rb:112:in `add_users' passenger (2.2.15) lib/phusion_passenger/rack/request_handler.rb:92:in `process_request' passenger (2.2.15) lib/phusion_passenger/abstract_request_handler.rb:207:in `main_loop' passenger (2.2.15) lib/phusion_passenger/railz/application_spawner.rb:441:in `start_request_handler' passenger (2.2.15) lib/phusion_passenger/railz/application_spawner.rb:381:in `handle_spawn_application' passenger (2.2.15) lib/phusion_passenger/utils.rb:252:in `safe_fork' passenger (2.2.15) lib/phusion_passenger/railz/application_spawner.rb:377:in `handle_spawn_application' passenger (2.2.15) lib/phusion_passenger/abstract_server.rb:352:in `__send__' passenger (2.2.15) lib/phusion_passenger/abstract_server.rb:352:in `main_loop' passenger (2.2.15) lib/phusion_passenger/abstract_server.rb:196:in `start_synchronously' passenger (2.2.15) lib/phusion_passenger/abstract_server.rb:163:in `start' passenger (2.2.15) lib/phusion_passenger/railz/application_spawner.rb:222:in `start' passenger (2.2.15) lib/phusion_passenger/spawn_manager.rb:253:in `spawn_rails_application' passenger (2.2.15) lib/phusion_passenger/abstract_server_collection.rb:126:in `lookup_or_add' passenger (2.2.15) lib/phusion_passenger/spawn_manager.rb:247:in `spawn_rails_application' passenger (2.2.15) lib/phusion_passenger/abstract_server_collection.rb:80:in `synchronize' passenger (2.2.15) lib/phusion_passenger/abstract_server_collection.rb:79:in `synchronize' passenger (2.2.15) lib/phusion_passenger/spawn_manager.rb:246:in `spawn_rails_application' passenger (2.2.15) lib/phusion_passenger/spawn_manager.rb:145:in `spawn_application' passenger (2.2.15) lib/phusion_passenger/spawn_manager.rb:278:in `handle_spawn_application' passenger (2.2.15) lib/phusion_passenger/abstract_server.rb:352:in `__send__' passenger (2.2.15) lib/phusion_passenger/abstract_server.rb:352:in `main_loop' passenger (2.2.15) lib/phusion_passenger/abstract_server.rb:196:in `start_synchronously'</p> <p>Mysql: 5.0.91 ruby 1.8.7 (2009-06-12 patchlevel 174) Rails 2.3.8</p> <p>Regards,</p> <p>Per</p>			

History

#1 - 2010-08-11 19:37 - Felix Schäfer

Rails 2.3.8 is currently unsupported and could be the cause of the list not being populated.

#2 - 2010-08-11 20:40 - Per Malmberg

- *Status changed from New to Resolved*

You are correct, setting

`RAILS_GEM_VERSION = '2.3.5' unless defined? RAILS_GEM_VERSION`

instead of

`RAILS_GEM_VERSION = '2.3.8' unless defined? RAILS_GEM_VERSION`

solved the problem. I'm curious why it worked in the first place though?

Thanks for the quick solution!
