Redmine - Defect #6162

Watchtower Library for Mac

2010-08-17 20:52 - David Karp Sr.

Status:	Closed	**Start date:**	2010-08-17
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:			
Resolution:	Invalid	**Affected version:**	

Description
When I copy from the WLib and paste into a new document, a duplicate paste appears under the original paste. I have uninstalled and reinstalled Watchtower Library for Mac without and change in this behavior. It occurs on both Mac computers on my network. When running Watchtower Library for Mac, the number 2 appears on the icon in the dock.

History

#1 - 2010-08-18 12:00 - Felix Schäfer

- Status changed from New to Closed

- Resolution set to Invalid

I think you have hit the wrong tracker, sorry.
