Associated revisions

Revision 4453 - 2010-12-03 12:28 - Jean-Philippe Lang

Adds xml/json REST API for Users (#6260).

History

#1 - 2010-09-28 13:43 - Cyril Servant

- File diff added

Here is what I've done for the REST API. It enables :

- creating a user
- updating a user
- listing users
- showing a user details

I'm aware it's not perfect, but heh, it's here :)

If you think I should change something, don't hesitate to tell me.

#2 - 2010-10-21 18:42 - Eric Davis

- Assignee set to Eric Davis

- Target version set to 1.1.0

This feature is planned as part of 1.1 but I haven't reviewed this patch yet.

#3 - 2010-11-27 00:40 - Eric Davis

- Assignee deleted (Eric Davis)

I am stepping down from working on Redmine. If someone else is interesting in working on this issue, feel free to reassign it to them.

Eric Davis

#4 - 2010-12-03 12:55 - Jean-Philippe Lang

- *Status changed from New to Closed*

- *Resolution set to Fixed*

Added in r4453.
