## Redmine - Defect #6447

## Issues API doesn't allow full key auth for all actions

2010-09-20 22:18 - Eric Davis

Status:	Closed	Start date:	2010-09-20
Priority:	Normal	Due date:	
Assignee:		% Done:	100%
Category:	REST API	Estimated time:	0.00 hour
Target version:	1.0.4		
Resolution:	Fixed	Affected version:	1.0.1
Description			
Needs an accept_ke	y_auth so full key actions ca	n work (i.e. not HTTP basic based keys)	
Simple fix but I want	to have a solid test suite for	this so we can reuse it as new APIs are	added.

Please fix this problem	before cording test suite? minim	um fix about issues_controller.rb and project	_controller.rb.
#2 - 2010-11-01 16:37	- Eric Davis		
- Status changed from	New to 7		
I'm working on this now	by cleaning up the existing test	s to see which actions are missing the auth k	ey option.
#3 - 2010-11-05 18:46	- Eric Davis		
- Status changed from	7 to Resolved		
- Target version set to	1.0.4		
- % Done changed from	n 0 to 100		
- Resolution set to Fixe	d		

Fixed in various commits over this week. Now the basic issues API should allow authentication with any of the methods Redmine supports.

I also rewrote the test suite for the Issues API so it's much more through now. (391 tests, 403 assertions)

## #4 - 2010-11-27 00:40 - Eric Davis

- Assignee deleted (Eric Davis)

I am stepping down from working on Redmine. If someone else is interesting in working on this issue, feel free to reassign it to them.

Eric Davis

## #5 - 2010-11-27 16:09 - Jean-Philippe Lang

- Status changed from Resolved to Closed

All the required changes are merged in 1.0-stable (r4439).
