<b>Category:</b>	UI	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>			
<b>Resolution:</b>	Fixed		

#### Description

For project planning it would be great to be able to display the total estimated time of all tickets for particular milestones.

I wonder if this could be generalized like the filter system is on the issues display page (or added as part of this). Or maybe it would naturally be a feature of a burndown plugin or something similar.

#### History

##### #1 - 2008-06-14 17:13 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Fixed

As of [r1207](#), you can view the estimated/spent time on a particular version by clicking on it from the roadmap.
