| <p>When editing a projekt member list it would be helpful to see if a user is included in that project "explicit" or "by group membership" or "both".</p> <p>Could be nicely realized by indicator columns with check marks (and optional the group(s) name(s))</p> |          |                        |            |
