```

History

#1 - 2008-02-17 12:56 - Jean-Philippe Lang

The problem is in the parameters:

```
Parameters: {"user"=>"status3", "action"=>"edit", "id"=>"28", "controller"=>"users"}
```

This should be:

```
Parameters: {"user"=>{"status"=>"3"}, ...
```

Which Rails version and webserver are you using ?

Parameters are sent using a similar way as when you change the **status** of an issue using the right-click menu on the issue list.
Does this action work for you ?

#2 - 2008-02-18 09:05 - Sven Schuchmann

You are right, the status change via a right click on the issues list leads to the same error.

I don't use a webserver, I start redmine via script/server.

Rails Version is 1.2.3

#3 - 2008-02-18 19:29 - Jean-Philippe Lang

I'm not able to start Redmine with this old Rails version.
Please upgrade to 1.2.6 or 2.0.2 as mentioned [here](#).

#4 - 2008-02-19 18:57 - Sven Schuchmann

I upgraded to Rails 1.2.5 and with this version it works :-)

You can close the ticket!

#5 - 2008-02-19 19:07 - Jean-Philippe Lang

- *Status changed from New to Closed*

- *Resolution set to Invalid*

OK, thanks.
