

Redmine - Feature #6954

Filter from date to date

2010-11-22 10:04 - Andrea Saccavini

Target version: 1.3.0																			
Resolution: Fixed																			
Description It is essential for my work the possibility of filtering issues from date to date using a calendar tooltip. I will try to make a patch but it is not so simple. There are two issues related with this: 4502 and 4729

Associated revisions

Revision 6226 - 2011-07-10 19:29 - Jean-Philippe Lang

Adds date based filters (#4729) and date range filter (#6954).

History

#1 - 2010-11-23 14:56 - Paolo Sulprizio

It could be resolved by [#1140](#)

#2 - 2010-11-23 20:33 - Andrea Saccavini

This is not the solution. I need a filter from date to date and not x number of days from today as you can do with the actual filter capabilities.
It is an essential filter requirement and it is a surprise that is not yet implemented.

#3 - 2011-03-14 09:38 - Andrea Saccavini

- Status changed from New to Resolved

Resolved with an excellent plugin: [redmine_extra_query_operators](#)

#4 - 2011-03-14 09:45 - Etienne Massip

- Status changed from Resolved to New

#5 - 2011-04-07 20:55 - Cassiano Monteiro

+1!

I vote for this feature too!

#6 - 2011-04-08 08:59 - Etienne Massip

- Target version set to Candidate for next major release

#7 - 2011-07-10 13:35 - Jean-Philippe Lang

- Target version changed from Candidate for next major release to 1.3.0

#8 - 2011-07-10 19:33 - Jean-Philippe Lang

- File `date_range_filter.png` added

- Status changed from New to Closed

- Resolution set to Fixed
