#### History

### #1 - 2010-12-01 19:03 - Jean-Philippe Lang

I found these errors in my logs but I'm not able to reproduce. Looks like it was introduced after a change on redmine.org. Can you retry please?

### #2 - 2010-12-02 03:38 - Anonymous

Tried again, am still getting the same Error 500.

Clicking on Preview reply also results in the same Error 500.

### #3 - 2010-12-02 17:39 - Toni Mueller

I'm getting it, too in the last few days, even about one hour ago (see #7021).

### #4 - 2010-12-02 19:40 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Fixed

Problem is now fixed, thanks for pointing this out.
