Category: Email notifications	Estimated time: 0.00 hour
Target version:	
Resolution: Fixed	
Description Using 1.0.4 ... If you remove the tickets from "subtasks" or "related issues" for the current ticket, no notification is sent to a watcher on this ticket. If you remove a 'parent task' from the ticket, you will not get email notification if you are only watching the parent ticket and not the current one.
